

## Conduct Guidelines

The following guidelines were created for us to be able to have the most fun possible while respecting others and most importantly being the witness for Christ that we are called to be.

- 1) I will respect all adults (chaperones) by listening when they are talking and by following directions the first time they are given. Disrespect of any kind allows me to spend the rest of the time side by side with an adult.
- 2) I will respect my fellow teenagers. I won't talk trash to anyone or about anyone. If there is a conflict (disagreement), I will immediately let my team leader know. If a conflict erupts, both parties will spend the rest of the time with an adult. If I get into a fight, a parent will be called to come and get me regardless of where we are.
- 3) NO CUSSING!!!! (Our Church Rule)
- 4) Obviously...no drugs, alcohol, or tobacco products of any kind are permitted. If these are found, a parent will be called to come and get me regardless of where we are.
- 5) I will conduct myself properly in the vehicles. I realize that with the vehicle full, noise can get out of hand...so I will do my part to keep the noise at a minimum.
- 6) I will stay with the group at all times. No "wandering"!!!

I know this probably sounds like nagging, but believe it or not, these rules are more for your protection. We want everyone to have a safe and positive experience.

I choose to abide by these rules for the safety, protection, and unity of our group. I agree to all of the above statements.
